Chapter 1 by -**Ask an "Would You Rather" question for the person who writes the next chapter.**

Would you rather...

Become a mermaid for life, or become a dragon for life?

(Mine is mermaid)

Chapter 2 by R

A dragon. Would be able to fly + breathe fire, not to mention the fact i'd be a dragon, i.e. the coolest thing ever.

Would you rather...

Marry someone you love who doesn't love you, or someone who loves you but who you don't

Would you rather..

Eat the blue pill which would allow you to play any instrument in the world? or the red pill and know all the languages in the world?

Chapter 4 by m a r i e

The blue pill!!!!!!

Would you rather...

Have a dragon or be a dragon?

Chapter 5 by Lex

Have a dragon because being a dragon is too much of a hassle. I mean, i gotta wander around with a tail while i breath fire when I sneeze. No thanks :)

Would you rather take the red pill (Superhero of your choice) or blue pill (live in any fantasy realm?)

Chapter 6 by -

Blue pill - totally! I mean seriously, pick a fantasy world with super heros, maybe you'd be one... Then you could have the benefits of both pills:).

Would you rather have Trump as president, go to WWIII, and one wish come true, or Have Clinton as president and live only two more years?

Chapter 7 by -

The first, isn't anything better than Clinton? Besides, to have one wish come true is better than only living two more years - right?

Would you rather be a heros in the story of divergent or be in the Hunger Games?

Well, this is the last chapter, so no one will be able to respond to it. Therefore, I will not ask another question. Instead I will just say:

Congrats everyone! This was a fun "Story!"
